What can I do to help promote this event?

I understand this event is a physically difficult task, through a hot and humid environment that can be harsh at times. I consider myself capable of completing the journey. I understand the costs involved and that the deposit is non-refundable. (Any forfeited deposits will be donated to the

event). I understand the dates required to travel for this event and that I am available for that period of time. I understand and agree that the fundraising component of the event is required to be completed 2 weeks prior to departure and that I will be required to provide my credit card details so that any shortfall in my fundraising can be deducted from this credit card. I declare that I am 18 years of age or older.
