# SAFEGUARD THE ORANGUTAN'S FUTURE TODAY

You can help safeguard the future  
of the orangutan population  
...and you can do it **NOW!**

When you make a tax deductible donation to AOP's Safeguard program you're providing practical support for the Wildlife Protection Units. These frontline patrols are making a real difference by deterring illegal loggers and poachers in Sumatra. They are also providing much needed employment in areas where the only other options are working on palm oil plantations or not working at all!

### Where Your Money Goes

The money goes directly towards the patrols' running costs – equipment, uniforms and wages.

There are a range of packages to choose from today beginning at just \$7.50 – but any contribution of any size at any time is always welcome and always appreciated.

### How to donate

Just tick the box of your choice and complete the coupon below. You can pay today using your credit card, cheque or cash or mail your donation later. Or pay online by visiting [www.orangutan.org.au/safeguard](http://www.orangutan.org.au/safeguard).

- Safeguard 10 hectares of rainforest for just \$7.50
- Safeguard 40 hectares of rainforest for \$30
- Safeguard 80 hectares of rainforest for \$60
