# **Expedition** Overview

This specially crafted expedition combines the unique experience of visiting the Tanjung Puting National Park with a Palangkaraya Rungan River cruise aboard a fabulous riverboat to see the orangutan release islands.

From wonderful boats to small dugout canoes, wide rivers to deep forests, and small fishing towns to traditional Dayak villages, the Central Borneo adventure has it all. Be immersed in local culture and all facets of life in Borneo as you gain a greater understanding of the orangutan splight.

# **EXPEDITION GOALS**

We want our guests to have a truly unique and connected experience, and to have the pleasure of observing wild and semi-wild orangutans in their natural habitat.

Orangutan Odysseys will provide you with a safe platform to observe the incredible wildlife of Borneo, including orangutans (of course), proboscis monkeys, hornbills, red leaf monkeys, gibbons and more. It also our goal to educate and inspire our guests so that you become future stewards for the destination, its natural environment, and the survival of the orangutan.

In driving this legacy we have partnered with The Orangutan Project to support their conservation programs across Borneo in Sumatra. Each guest's fare includes the cost of adopting an orangutan for one year.

#### WHAT TO EXPECT

You are embarking on an adventure to places and amongst people whose lives are very different from your own. Many aspects of life in Indonesia will seem unusual. Remember that these are often the same aspects that make an area an exotic and attractive destination. Whilst boat expeditions are considered easy, no trek is easy, even those rated "easy or moderate". In addition to the personal physical challenges you may face, travel conditions can present unexpected obstacles, such as rough and bumpy roads and changeable weather. To prepare for this "pack" a flexible and relaxed attitude. Bring a spirit of adventure and inquiry, a healthy sense of humour and a willingness to encounter the unexpected and you will find your trip to Indonesia the adventure of a lifetime!
